

## **Swamiji's Books now**

### **Available World-wide!**

The vast treasure of Poojya Swamiji's books in English, Malayalam, Hindi, Tamil etc. has been available mainly from the Ashram or through the Ashram's book-counters during Jñāna Yajña and other programmes.

To enhance circulation, right from 1990s we tried to reach the books to retail bookshops through various small and big Book Distributing Agencies. But, all of them, after a few years have returned most of the books, saying that the low price of Ashram books prevented them as well as the retailers from displaying them, because it would not cover the cost of their overheads.

As a result, Poojya Swamiji's books were not widely available through retail outlets, and hence could not reach many unknown devotees and seekers who

would have thirst for this great knowledge presented in a rational manner with experiential insight.

Moreover, we were not able to make the books easily available for the seekers from abroad. With our new website and regular online programmes, there is increased interest in Ashram books from around the world. To participate in Poojya Swamiji's mission by helping the global distribution of Swamiji's books, Sri Ashok and Smt. Poornima Sharma (who printed "A Great Association" and "Insights into Bhagavad Gita") have come forward. They have set up a special website 'Vedantic Wisdom' for distributing Ashram books locally (in India) and globally. They will also assist production and distribution of e-books.

**From 1st April, 2023**, we shall forward all book orders to Vedantic Wisdom. We encourage devotees to visit [www.vedanticwisdom.com](http://www.vedanticwisdom.com) and browse through the comprehensive list of Ashram books.

For the time being, orders from **within India only** can be directly placed through the website. Those from outside India are advised to email their order details to [bookstore@vedanticwisdom.com](mailto:bookstore@vedanticwisdom.com). Enquiries, if any, may also be sent via email to the same address, or Whatsapp to +91 9148432905.

For **subscriptions to Vicharasethu** (English & Hindi) as well as Vicharasarani (Malayalam), please continue to contact the Ashram publications department at [publications@bhoomananda.org](mailto:publications@bhoomananda.org) or Whatsapp to +91 8301827263.
